Request for Inspection of KOI Petroleum, Detroit, Michigan

William H. Sanders III, Director, Surveillance & Analysis Division

Sandra S. Gardebring, Director, Enforcement Division

Reference is made to your April 28, 1981 Priority 1 request for an inspection at KOI Petroleum. The inspection was conducted Thursday, April 30, 1981 by Bob Buckley. Jim Pankanin of your staff was verbally briefed on the inspection findings Thursday afternoon. The inspection report is projected to be completed by May 8, 1981.

Should you or your staff require additional information in the interim, feel free to contact Bob directly.

bcc: Robert M. Buckley
